On what seemed like the hottest day of the Weston County Fair, the Junior and Open Poultry Show was held at the Poultry

Barn on Thursday, July 25, at 1 p.m. Many spectators came to the show and endured the heat to watch the show. Rebecca

Moncur judged the show and she said, at times, her decision was very close between exhibitors. Moncur complimented the

young showman saying many were first time exhibitors and that they did a good job. Here, Brooklyn Benshoof, Nick Lopez,

Fair exhibitors brought their best static exhibits to showcase at the Weston County Fair, and checked them in at the Events Center on Tuesday, July 23. Judging began on Wednesday at 10 a.m. Many exhibitors returned the next day to check in their flower show entries, with judging at 1 p.m. After judging was complete, ribbons of all colors could be seen throughout the building with exhibitors sporting big smiles after seeing how their handiwork fared and learning some exhibits will go on to the Wyoming State Fair Aug. 13-17. Here, Pat Christensen looks at the cross-stitch exhibits.
